Letter of Condolence for the Passing of Ma Mya Thwate Thwate Khaing

19 February 2021

Today, the doctors treating Mya Thwate Thwate Khaing confirmed she had passed away.

The Assistance Association for Political Prisoners thoughts are with her family and loved ones in this heartbreaking moment.

Ma Mya Thwate Thwate Khaing died needlessly. As a supporter of democracy in Burma she participated in a peaceful demonstration on 9 February in Naypyidaw calling for the end of the coup when she was shot in head.

She defended the right to vote with her life. The first and we urge last tragedy of this military coup will not be forgotten.

**In Solidarity,
AAPP**
